

Give **ALL** educators the resources to develop social and emotional practices that increase their well-being and resilience.

EdSERT™ EDUCATOR SEL

NEW! Now offering accredited CEU upon completion of EdSERT training!

Educator Social and Emotional Reflection and Training (EdSERT) is a holistic approach for educators that:

- enhances their **understanding** of SEL.
- increases their capacity to **teach** SEL.
- empowers them to **model** SEL.

By providing your educators with consistent SEL professional development you WILL

POSITIVELY

impact student achievement.

REDUCE

educators' stress levels.

LOWER

rates of burnout and turnover.

THE APERTURE EDUCATION APPROACH TO EDUCATOR SEL

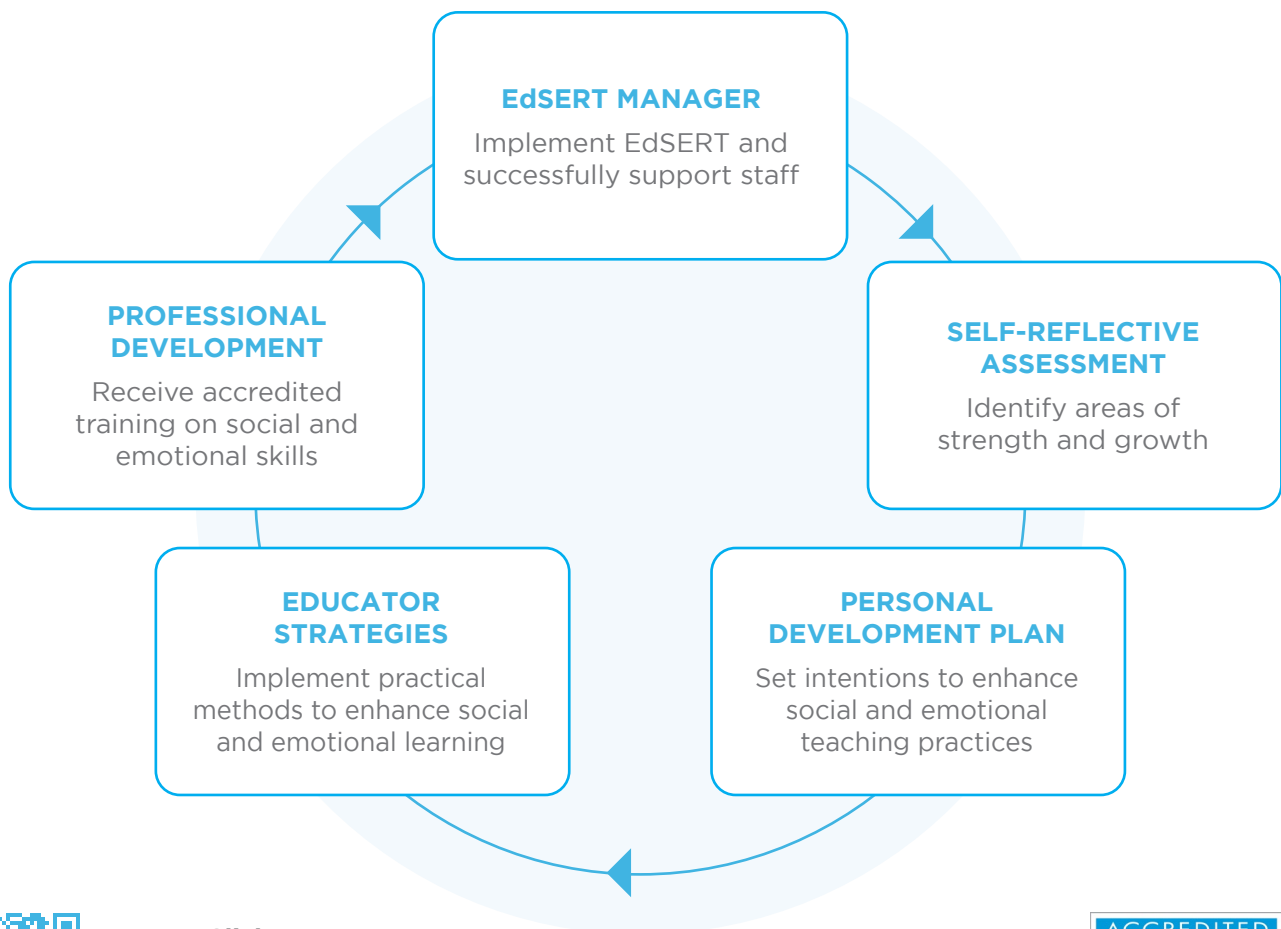

EdSERT provides a self-directed program for Social and Emotional Learning professional development.

- Accredited through [IACET](#) - International Accreditors for Continuing Education and Training
- Enhances educator well-being and improves efficacy of SEL instruction
- CASEL™ and DESSA aligned
- Research-based, data-driven approach
- Focused on classroom practices and strategies
- Personalized and self-paced

Over 80% of Educators reported that after completing the Optimistic Thinking Course, they:

“have more strategies to incorporate Optimistic Thinking in their professional career.”

“feel more confident in helping students develop Optimistic Thinking skills.”
