Activate and Log Into Your Account

- You will receive an email from Aperture Education with the subject line **Welcome to Aperture!** (Please check your junk or spam folder if you do not see this email in your inbox.)
- Click the **Create Account** link in the email to open the activation window. Email invitations are only active for 7 days. If you receive a message that your invitation has expired, the Program Administrator will need to send you a new invitation.
- Choose a password for your account, select the checkbox, and click **Activate**.
- *Note:* If your program has Single Sign-On enabled, you will not need to register as outlined above. You can access your Aperture account by going to your district SSO login page and clicking the  icon.

Use [this Educator Portal link](#) to log into your account using the email and password you just created. Consider bookmarking it for future use.

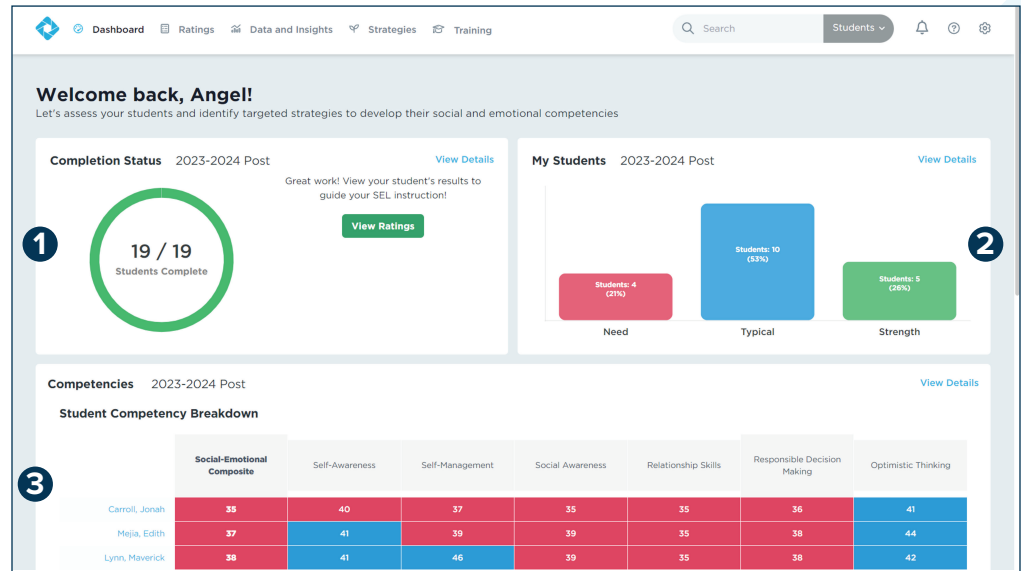

Navigate Within the Educator Portal

- **Dashboard:** Main landing page for all users; it contains 3 modules with relevant data.
- **Ratings:** Where educators complete their DESSA student ratings.
- **Data and Insights:** Access your interactive reports on this tab.
- **Strategies:** Research-based resources for Tier 1/Universal instruction and Tier 2 Intervention Programs.
- **Training:** EdSERT, self-paced training courses, and the On-Demand Video Library.
- **Search:** Search for students by name or Student ID number to access their individual student profiles.
- **Question Mark:** Opens the Support Portal to allow you to search for assistance or explore resources.
- **Settings Cog:** Contains basic information and administrator functions as well as the logout option.

Your Educator Portal Dashboard

When you log into the Educator Portal, you will be taken to your dashboard. This dashboard contains the following components:

- 1 Snapshot of progress on your ratings and a call to action to complete any ratings that are incomplete.
- 2 Preview of the **My Students** report (a breakdown of descriptive score ranges) for the students in the group assigned to you. To change the filters on your report, click **View Details**.
- 3 Preview of the **Competencies** report for students who have received a full DESSA 2. You can also change the filters on your report by clicking **View Details**.

*Note: The preview of the **My Students** report and the **Student Competency Breakdown** will be blank prior to DESSA ratings being completed.

Complete DESSA System Training

Before completing DESSA 2 ratings

Educators who complete training are more confidently able to complete their DESSA 2 ratings, analyze and use their data, and implement the Educator Portal resources more effectively. There are three ways to learn about how to use the DESSA 2 assessments: **Self-Paced Courses**, the **On-Demand Video Library**, and the **Support Portal**.

You can access each of these resources under the **Training** tab.

Complete Ratings

To complete ratings for your assigned students, log into the Educator Portal, click **Ratings**, choose a student, respond to the items (in either Single Question or Table format), and click **Complete**.

Jair Abbott DESSA 2 mini Form A

Student ID: 3459684 [Minimize Instructions](#)

This form describes a number of behaviors seen in some students. Read the statements that follow the phrase: **During the past 4 weeks, how often did the student...**and click on the button underneath the word that tells how often you saw the behavior. Please answer each question carefully. There are no right or wrong answers. If you wish to change your answer, just click on the button for your new choice. Please do not skip any items.

A "Never" response can mean that you have not observed the student engaging in that behavior or that the student does not engage in that behavior.

Access Reports from the Data and Insights Tab

After completing DESSA 2 ratings

Reports can support data-driven decisions. To access reports, log into the Educator Portal and click on the **Data and Insights** tab at the top of your dashboard.

The **My Students** report, the **Individual Student Profile**, and the **Competencies** reports are great starting points for reviewing classroom data.

For more detailed information on reports and action steps, view the [Implementation Guide](#).

The **My Students** report shows the distribution of student assessment scores across the descriptive ranges.

The **Individual Student Profile** shows a line graph of a student's rating scores over time for each rating completed in the Educator Portal. Hover over a rating for details about that rating or click on it to see more details.

The table below the line graph allows you to monitor student progress by comparing up to 4 ratings for the student. Simply check the box on the left side of the report and click **Compare**. The report will show you how the student progressed between rating windows.

The **Report** icon shows you the **Individual Student Report** and **Individual Item Analysis**.

To print this report, click the three dots at the top right.

Access the **Individual Student Report** by clicking the **Report** icon in the table at the bottom of the **Individual Student Profile**.

For students who have been evaluated using the DESSA 2, this report will show a bar graph with a T-score for each competency. Filter the table below by competency to identify areas of **Strength** and **Need for Instruction** for the student, and gather ideas for targeted small group or individual interventions. To print this report, click the three dots at the top right.

The **Competencies Report** shows the breakdown of students across the descriptive ranges for a given competency. Keep in mind that this chart can skew heavily toward **Need for Instruction** given that it is likely to include mostly students who have been rated using the full DESSA 2 assessment.

The **Student Competency Breakdown** table displays one row per student with their respective scores. You can use the chart and table in tandem to determine which competencies to focus on for individual, small group, or universal instruction.

Use DESSA-Aligned Strategies

After analyzing DESSA 2 data

DESSA reports inform strategy implementation. After analyzing your data, click the **Strategies** tab on your Educator Portal dashboard. The **Strategies** tab gives you access to Universal Strategies and Foundational Practices, DESSA-aligned instructional strategies, and targeted Tier 2 Intervention Programs. Click the links to access these instructional resources.

- Use Foundational Practices as everyday strategies to create a positive learning environment.
- The DESSA-aligned strategies are instructional lessons tied to your students' DESSA data. Use these strategies for universal instruction.
- Tier 2 Intervention Programs provide targeted instruction to students who need additional layers of support.

The screenshot shows a dashboard with three main sections:

- Universal Strategies:** A single button labeled "Foundational practices to create a positive classroom" with a right-pointing arrow.
- DESSA-aligned instructional strategies for your classroom:** A grid of six buttons: "Optimistic Thinking", "Self-Awareness", "Self-Management", "Social-Awareness", "Relationship Skills", and "Responsible Decision-Making", each with a right-pointing arrow.
- Targeted Programs:** A single button labeled "Explore Tier 2 Intervention Programs" with a right-pointing arrow.

Access the Support Portal

Additional resources for all users in the Educator Portal include video tutorials, webinars, educator guides, FAQs, and helpful implementation resources. To access the Support Portal, log into your account and select the question mark icon (?) in the upper right-hand corner of the dashboard. A new tab will open containing the **Support Portal**. (Please disable your browser's pop-up blocker.)

In the **Support Portal**, type the name of the resource you are looking for into the search bar or scroll through the suggested resources. To contact our Support Team, click the **Submit A Request** button at top right to submit a ticket.

The screenshot shows the Aperture Education Support Portal dashboard. At the top, there is a navigation bar with the Aperture Education logo, the text "APERTURE EDUCATION", and links for "Submit a request" and "Sign in". Below the navigation bar is a large illustration of three people (two women and one man) working at laptops. In the center, there is a search bar with the text "How may we help you?" and a magnifying glass icon. Below the search bar is a grid of eight blue buttons, each with an icon and a label: "GETTING STARTED" (monitor icon), "ACCOUNTS & ROSTERS" (people icon), "RATINGS" (list icon), "DATA & INSIGHTS" (bar chart icon), and four buttons with icons for a puzzle, an open book, a pushpin, and a headset.
